

the changing face of ARIA's wine

As we celebrate our 20th year of ARIA Sydney we must take a moment to reflect on our incredible journey in wine so far. Since 1999 our team has had the privilege of serving any enormous array of the very best wines of the world all whilst striving to provide a level of beverage service unparalleled in Australia. We are driven to deliver a wine program that caters for everyone and enables the opportunity to create unforgettable moments with the wines we love.

The vision of the ARIA wine program is to develop a culture in appreciation of classic wines and producers who deserve to be recognised as future stars. Whilst we understand great things take time, we also want to embrace the next generation and the progression of an ever-changing industry.

We hope you enjoy this list as much as we enjoy creating it for you.

top of the pops

Champagne is a region steeped in history, through the years there have been a handful of remarkable people who have changed the face of its wines. In the world of Champagne, prestige cuvées symbolise the highest of standards; these precious bottles offer wine lovers the pinnacle Champagne experience. This is an ode to some of the top prestige cuvées from the worlds most loved and sought after region.

1996 Krug *Clos du Mesnil* Reims 4400

The most famous vineyard in all of Champagne. This Clos produces possibly the best Chardonnay that can challenge the top Grand Crus of Burgundy and it can be seen through its powerful and concentrated intensity.

1982 Krug *Collection* Reims 4200

A very limited number of bottles of Krug 1982 were kept in ideal conditions in Krug's cellars. These bottles were tasted and appraised as they waited to blossom. Only the very greatest vintages, such as the near perfect 1982, can attain the maturity to be deemed fit to be re-released under the 'Collection' moniker. These wines are the epitome of elegance, purity and patience that Krug are renowned for.

2005 Jacques Selosse *Extra Brut Millésime Grand Cru* Avize 1150

Every decade or two, a winemaker comes along who, through the force of his ideas, and the brilliance of his work, has the power to change the course of wine history. The millésime is made from the same parcels of fruit each year, the wines show the true vintage individualities and the complex mineral drive that makes Selosse so unique.

1992 Philipponnat *Clos des Goisses Brut Premier Cru* Mareuil-Sur-Aÿ 1400

Clos des Goisses is one of the greatest terroirs in all of Champagne, its steep south-facing slopes enjoy the full midday sun and allows for 16 small plots to be utilised. Powerful and distinctive, the vineyard itself lies in the very heart of the region. With production sometimes as small as 1,800 bottles, this wine is one of the best kept secrets in Champagne.

NV Egly-Ouriet *Vieilles Vignes Les Crayères Lieu-dit Grand Cru* Ambonnay 600

From a single lieu-dit, 'Les Crayères', this warm amphitheatre high up the Ambonnay slopes epitomises the hidden beauty of Meunier. Planted in 1946, this makes the vines ancient in Champagne terms. Sitting on only 30cm of topsoil before hitting pure chalk, the complexity of these wines are hard to surpass within the region.

2011 Agrapart *Vénus Brut Nature Blanc de Blancs Grand Cru* Avize 800

Named after the horse that ploughs the vineyard and tended by hand. This tiny hillside plot of only 0.3 hectares and has both the chalk of the hillsides at the top of the parcel and the heavier clay over limestone at the bottom. This diversity in terroir gives one of the greatest expressions of single site Champagnes. This is the pinnacle wine from a man obsessed with the perfection of terroir expressionsim.

top of the pops

Krug's Grande Cuvée was the first of its kind in 1850, quickly followed by Louis Roederer's Cristal, the first vintage prestige Champagne. Since then they have come to represent the best of the region, whether it be an expression of a vintage or of a special piece of terroir.

2013 Cédric Bouchard *Roses de Jeanne La Bolorée* Celles-Sur-Ource 540

Very old and rare Pinot Blanc from a 0.217 hectare lieu-dit. The parcel is on pure chalk and is arguably the purest showing of sparkling Pinot Blanc. Bouchard was initially uninterested in the parcel, but today it is perhaps his most cherished site.

NV Jérôme Prévost *La Closerie Les Beguines Climax LC12* Gueux 640

Terroir that's distinctively different from other regions of Champagne justifies the massive cult following of these wines. From the heart of the vineyard, there are a particular row of vines which has inspired Jérôme to release another expression of his Meunier vineyard. The wine was set aside for an extra 12 months to allow for the full richness and texture of Les Beguines to shine through.

1983 Salon *Brut* Le Mesnil-Sur-Oger 4600

All the emphasis in the production of this exceptional wine is on the singular. It is the product of one man, from one single region, from one single cru, from one single grape variety and from one single vintage. This is an ageless expression of individuality.

2008 Dom Pérignon *Brut* Épernay 520

The most recognised name in Champagne. Dom Pérignon is a wine of tension, power and long ageing endurance, the King of the most readily available prestige cuvées. The 2008 will go down in the books as one of the perfect vintages in recent memory. It also marks, after 30 years, the last vintage of Chef de Cave Richard Geoffroy.

1995 Charles Heidsieck *Blanc des Millénaires* Reims 750

It's an enigma, a grand testimony to the eternal endurance of the greatest crus of the Côte des Blancs. Thierry Roset declared that he would probably never again be able to make another wine like this. The dizzying vivacity that it declares at over two decades is nothing short of mind-blowing.

2006 Dom Ruinart *Brut Grand Cru* Reims 720

The 2006 is big, ample Champagne that shows the structure of the Montagne de Reims with plenty of textural resonance, richness and Burgundian undertones. The prestige cuvée of the first established house in Champagne.

2000 Duval-Leroy *Femme de Champagne* Vertus 660

Named after Madame Duval-Leroy, another female pioneer of Champagne, she has redefined the Champagne market for the 21st century. Femme is the result of a delicate marriage of the best parcels of grapes from Vertus. Aged for a minimum of 12 years in the cellar, it is awe-inspiring to see the youth and freshness that it exhibits.

NSW · birthplace of Australian wine

The areas around Sydney have the longest history of grape growing in Australia. James Busby's original collection which arrived in Sydney in 1833, started what was to be an unimaginable progression in viticulture. These first cuttings were originally planted at the Sydney Botanical Gardens less than 500m from where we now sit. This was the most significant development in the early history of Australian wine as cuttings of these vines made their way to other parts of Australia. We wanted to highlight the quality and progression we have made in premium winemaking in NSW and celebrate how far we have come. This is a showcase of a small selection of the 3 varieties we feel best tell our story.

Riesling

Canberra District is known for its cool climate wine styles. Riesling is arguably the most important and admired white variety in the region. The wines have especially crisp, ripe fruit with brisk acidity and are exceptionally age-worthy.

Semillon

Hunter Semillon is one of the wine world's great wonders, able to morph over time from a zesty, crisp youngster into a deep golden, nutty, honey and straw-scented old-timer. Hunter Valley Semillon is the hidden gem of Australian wine.

Shiraz

Shiraz in NSW is decidedly different to other famous regions such as Barossa and McLaren Vale. In the Hunter the wines are medium-bodied with red fruit and savoury, earthy characteristics and massive ageing potential. Canberra, with its cooler hills and higher elevation, the Shiraz and Viognier blends emulate the wines of the Northern Rhône Valley with a lighter body and silky texture.

skin contact whites

This section of the list is an ode to how things used to be done and how producers across the globe are again practicing. The philosophy that the entirety of the grape and not just its juice is to be used, allows every element of that grape to play a role. White wines made like red wine. Whilst some producers will simply encourage some contact to aid in preservation and structure, many wish to develop a depth and intensity of flavour, structure and excitement that most people have not had the pleasure to experience. Below, we have listed the wine on a scale of intensity from top to bottom, with the first being the cleanest and fresh then heading down the page to the richer, more textural and wonderfully complex.

Rippon Winery · Lake Wanaka · Central Otago

Situated on the shore of Lake Wanaka, Rippon winery is without question one of the most breathtaking vineyards anywhere in the world. Since the first plantings on the family estate in 1975, the Mills family has strived to showcase how special their little patch of dirt is. Now pushing towards a fully self functioning farm, their practice of biodynamics, wild fermetns, dry irrigation and philosophy to leave the place better than how they found it is truly aspirational. There are few people on this planet that will inspire you about terrior and their individual story more than winemaker Nick Mills.

As the lake has receded over time it has exposed intense schist which dominates the soil profile and crafts exceptional Pinot Noir more than worthy of their international acclaim. The quality of this site and the team that works it helps shape their other varieties they have planted, and puts them not just at the top end of New Zealand wineries but mixing it with the very best worldwide.

Riesling

Beautifully complex in its multi-layered yet fine focused frame. Fantastic use of phenolics and loads of energy and length. Unique and true to place.

2013 Rippon <i>Mature Vine</i>	110

Gewürztraminer

Rippons approach to the variety is a refreshing offering and a lesson in balance and purity. They manage to retian freshness which leans to the lighter and brighter side with a more gentle intensity of flavour than you might be used to with the grape.

2017 Rippon	125
2012 Rippon	105

Sauvignon blanc

Unlike many other offerings from the south Island, this is a vibrant, racy expression closer to Sancerre in its concentration, texture and minerality.

Pinot noir

The farm voice of a distinct parcel of land: Rippon. This wine is from a combination of the mature vines from across the property grown on the deep schist soil. Generous array of deep cherry, plum, savoury tones wrapped in graphite mineral complexity.

2015 Rippon <i>Mature Vines</i>	170
2014 Rippon <i>Mature Vines</i>	175

A unique parcel within Rippon, Emma's Block faces eastward on the lakefront where ancient clay reefs run laterally through fine schist gravels. This site offers immediate attraction and approachability. Displaying lifted floral tones, crunchy fresh red fruits and feels more open knit. Elegance and finesse on offer.

2010 Rippon <i>Emma's Block</i>	350

Tinker's Field is a gentle, north facing slope formed by an ancient ejection cone of coarse schist gravels. Tinker's Field is home to the oldest vines on the property. Displaying serious stucture and firm tannin rarely seen from this part of the world. Compressed, powerful and seemingly endless length. Thought provoking Pinot!

Gamay

It is fair to say that this expression of Gamay is unrivaled outside of Beaujolias and even then still regularly shakes the vine of its homeland. This is completely unadulterated, hands off winemaking and natural in all the right ways. Juicy, savoury, generous and lively somehow all at the same time. Always very impressive and highly drinkable!
