A word on our world famous Barossa & Eden Valley from wine legends

Hugh Johnson & Jancis Robinson....

*“the region’s rich legacy of mature, deep rooted unirrigated bush-vines-of which around 200 acres are over 100 years old..... can produce the most concentrated form of what has become one of the world’s most distinctive wine styles, Barossa Shiraz.”*

*“Barossa owes its vivaciousness to the addition of an Eden Valley component”*
